

What makes a good linguist at Saint Marie's?

A good linguist:

<p>Learns about the culture and traditions of the country they are learning about.</p>	<p>Has fun.</p>	<p>Listens to, repeats and applies new words and phrase to our lessons.</p>
<p>Practises a little each day.</p>		<p>Uses prior learning of words, phrases and phonics and apply them</p>
<p>Notices patterns in words, root words and compares them to our own language to help decipher their meaning.</p>	<p>Has the confidence to communicate without fear of making a mistake as they know that we learn through mistakes.</p>
